

DISPATCH 4/18/2024

Foremen must download whatsapp and send me a message so I can add you into the Norfolk timekeeping group. All foremen **MUST** send a message in whatsapp every morning by 0715 with attendance. At the end of the shift, prior to leaving the jobsite, you must send in your timesheet with all the appropriate information. Foremen will be held accountable for crews time being turned in daily. In addition, all hard copies of your timesheets must make it into the office and in my box located on my door by EOD friday for review.

I need everyone to get with their foreman and give them all badges and expiration dates for your badges tomorrow morning so WE can make sure everyones information is updated.
